To Whom it May Concern,

In accordance with the guidance provided by the Center for Disease Control and Prevention (CDC) recommendations for prioritization of distribution and administration of COVID-19 vaccines for adults, the Michigan Department of Health and Human Services designates child welfare professionals who work in the field to be prioritized as frontline workers under the child protective services category and therefore eligible for receipt of the COVID-19 vaccination as part of Phase 1B.

The person having received this letter, with verification of appropriate personal identification, is recognized as a Michigan child welfare professional, and is therefore eligible to receive the COVID-19 vaccination as part of Phase 1B.
